Roedd y gost o osod arwyddion “araf” eto yn mynd i gostio hyd at £15,000. Trafodwyd ymestyn y pentref o Gwylfa hyd at Broncaradog ond eto roedd hyn ond yn bosibilrwydd. Mae'r mater o arwyddion cyflymder yn bryder i lawer o gynghorau Cymuned ac mae hyn yn destun trafodaeth bellach o fewn y Cyngor Sir. *The contents of Tom Delph-Janiurek's email to Ifan Lloyd Davies noted that the cost of placing “speed-bumps” at Tynygraig would be in the region of £8,000 - £10,000 – this was impossible for the Community Council to fund. The cost of providing “slow” signage would cost in the region of up to £15,000. It was also discussed to extend the signage of the village as far back as Gwylfa and down as far as Broncaradog, again, this was only a possibility. The matter of speed limits/signs is a concern for numerous of the Ceredigion Community Council and this is a further discussion for Ceredigion County Council.*

Nododd Wyn Evans oherwydd bod bollards wedi ei gosod ar y sgwar ni fyddai'n bosibl i godi'r coeden yn ol y drefn arferol, ac felly, nodwyd bod angen prynnu "steel" ar gost o tua £300 i wneud teclyn a fyddai'n codi'r goeden dros y wal yn syth. Opsiwn arall fyddai hurio peiriant i wneud y gwaith, ond byddai cost blynyddol i wneud hyn. Nododd Wyn bod y brackets ar gael ganddo ef a gallau'r Cyngor Cymuned ei menthyg yn ol yr angen. Cynhelir y digwyddiad eleni ar brynhawn Sul, 3ydd Rhagfyr 2017 am 4.00 o'r gloch gyda Chanu Carolau yn y Capel a Gwin Twym a Mins Peis yn ôl yr arfer. *It was agreed to place a Christmas Tree at Tynygraig Square again this year. Another option would be to hire a machine to do this work, but this would be an annual cost. Wyn noted that he had brackets already and was willing for the Community Council to use these as needed.
